All students must attend the School Year Closing Day in neat and tidy summer school uniforms and arrive on time. If students cannot attend the School Year Closing Day, they should inform the class teacher and submit the letter with explanation on or before 7th July, 2021 (Wednesday). If students are absent due to sickness, parents should inform the school before 8:00 am and submit the parent's letter with the doctor's certificate on the following school day. Latecomers should follow usual procedure set by the school. Unexcused absence will be regarded as truancy. In view of the fact that the current epidemic situation is still not fully contained, in order to protect the health of the students, prevention measures are recommended in strictly controlling the number of participants and adopting streamlined procedures for the School Closing Ceremony.

6. Notes for Summer Holidays and School Opening of the Next Academic Year (For All Students) Students should take note of the following during the summer holidays:

- (a) During the summer holidays (except public holidays), the opening hours of the General Office is: Monday to Friday, 9 am to 5 pm; Saturday, 9 am to 12 noon. Should parents or students need any assistance, please contact the staff and/or teachers in the General Office.
- (b) Parents are advised to remind their children of potential dangers when joining activities inside and/or outside the school during the long summer holidays. For example:
 - (i) Please keep your child as far as possible from any unsuitable public entertainment venues such as game arcades and cyber arcades where they may meet gangsters or other people who may bring undesirable influences on your child.
 - (ii) The number of youngsters taking drugs has increased in recent years. This may possibly be attributed to such peer pressure or their curiosity to drugs. Therefore, both parents and students should heighten the awareness of the detrimental effects brought about by drugs.
 - (iii) Ensure that your child completes all his/her summer holiday assignments and prepares well for the next academic year.
- (c) There are activities organized by the school during the summer holidays. Teachers in charge will issue notes to inform parents of the details. Should you have any enquiries, please call the school for information.
- (d) As several renovation projects on the school campus are in progress during the summer holidays, students returning to school should be aware of their surroundings. For security reasons, students should wear their tidy school uniform or sports uniform when they return to the school premises.
